

## Mensor Product Return Form

Customer satisfaction is important to us!

This is an editable PDF Form. Please fill it out electronically then print it or print it and fill it out manually, then send it with the product being returned for service or calibration. This information will help us understand your requirements and expedite the repair and/or calibration of your device. The Customer Service Department can be reached at: 800-984-4200, or 512-396-4200 Ext. 226

Please do not send accessories with the instrument sent in for repair or calibration.

Do not send manuals, fittings, tubing, valves or anything that is not permanently attached to the instrument being repaired or calibrated.
