

## WIKAL Customer Portal

# A service for our customers

Smart in sensing

# Everything visible – at any time

The Customer Portal is WIKA's online platform for enquiries and orders – easier than ever. Here you will find your customer details, account settings and requirements. Prices as well as relevant order and product information can be easily accessed from anywhere at any time. Just a few clicks away.

## Your benefits:

- Quick and easy order process
- Real time view of prices and delivery times
- Available around the clock
- Standard products always available
- Fast product selection
- Web-based – no additional software needed
- Order, enquiry and quotation history viewable
- Simple product enquiry
- Convenient account administration
- Several languages available
- Favourites list for products and configurations
- Extensive search function

Whether ordering standard products or enquiring about more complex products, the WIKA Customer Portal simplifies your day-to-day business and saves you valuable time in purchasing.

# Quicker to your destination – with the WIKA Customer Portal

## Product selector

Find the ideal product, quickly and easily.

## Configuration

Configure standard and complex products.

## Order function

Order your products directly. Online – anytime.

## Export of catalogue (optional)

Export product data easily as OCI, XML, etc.

## Delivery times and prices

Access real-time information on your price conditions and current delivery times.

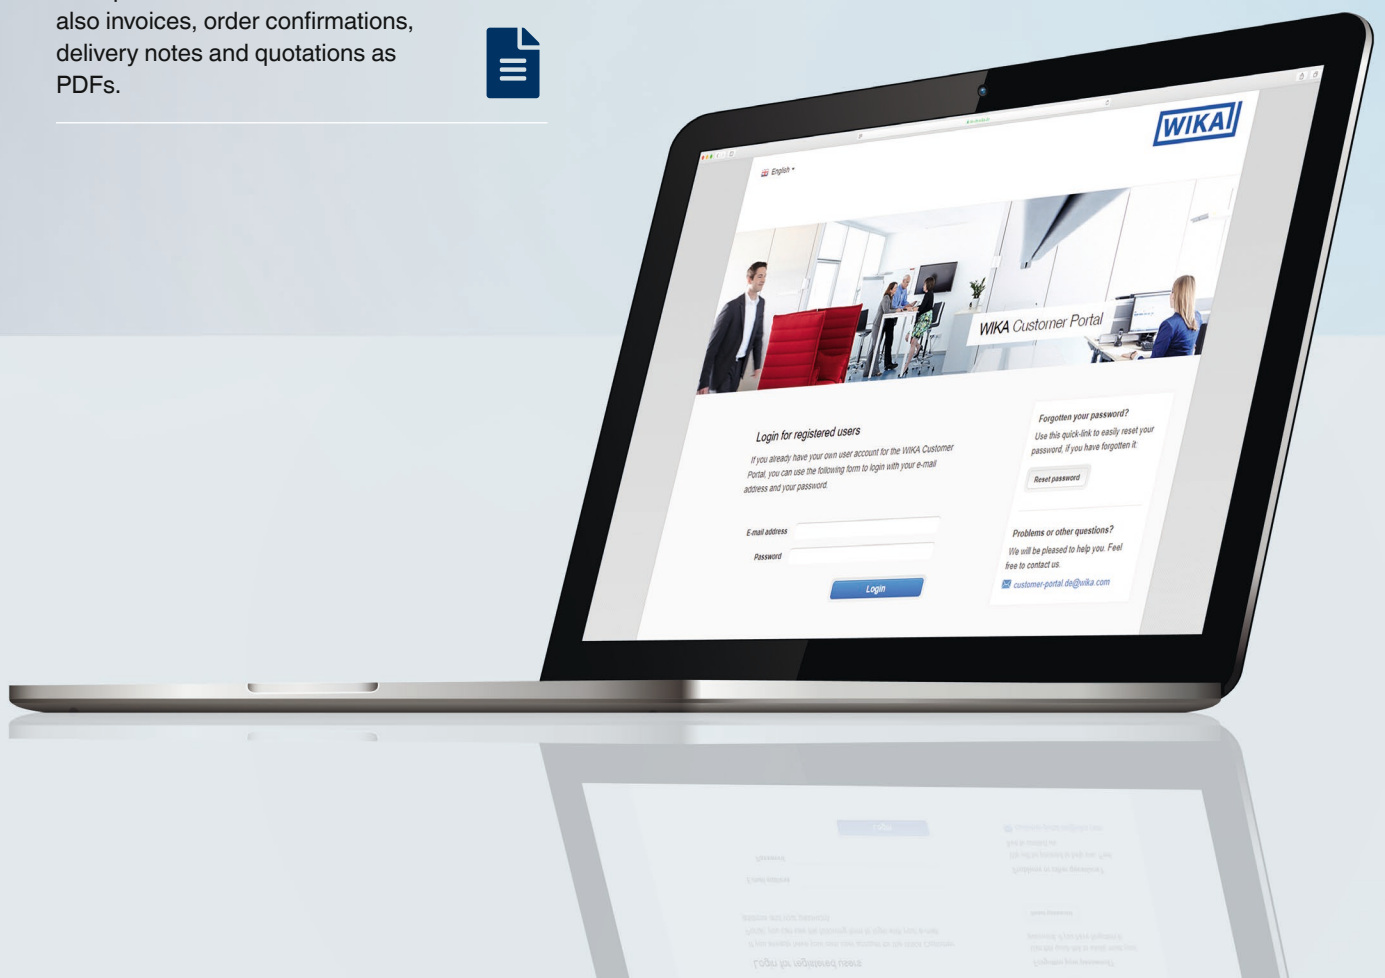

## Order and delivery status

Maintain an overview of all enquiries, quotations and orders.

## Documentation

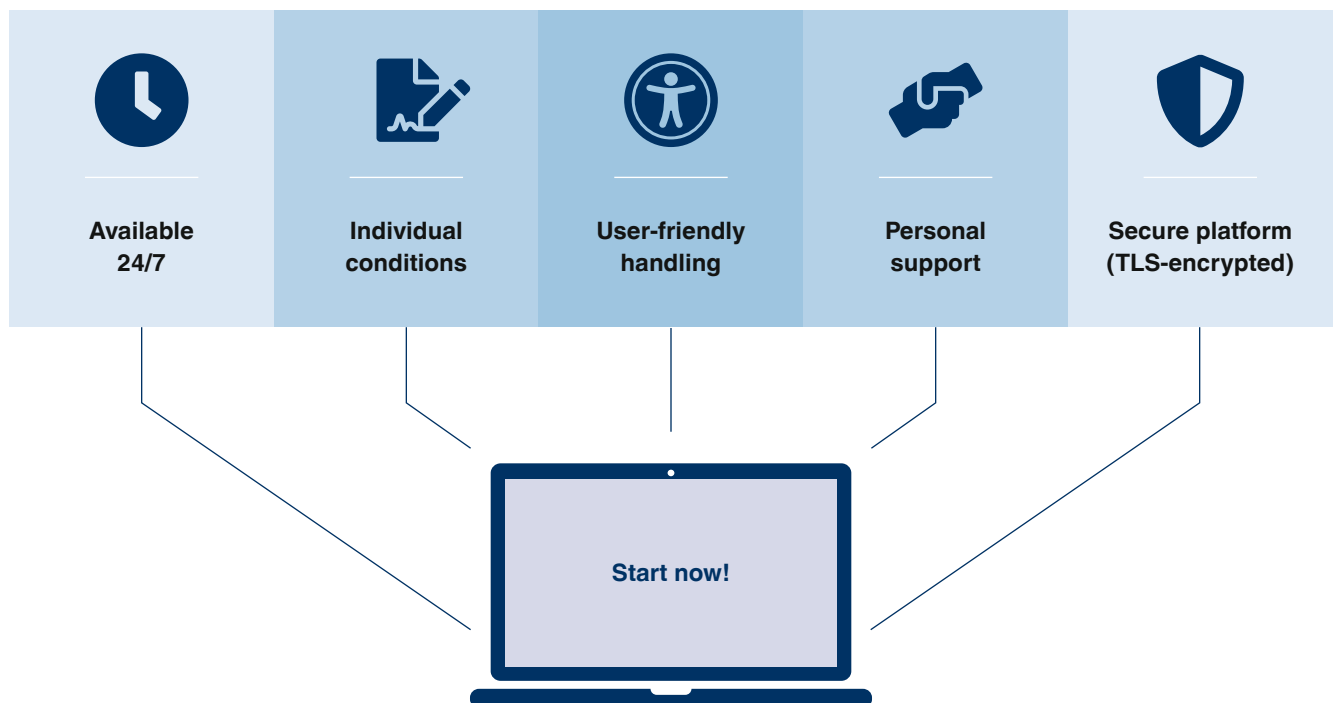

View product data sheets and also invoices, order confirmations, delivery notes and quotations as PDFs.

# One portal for everything

Search products, view orders, check account settings, save favourites – all bundled in a single portal. Our consultants can also help you choose the ideal solution online.

The WIKA Customer Portal is intuitive to operate and thus the most convenient, fastest and most secure route to your WIKA products.

Get your access data today at <https://go.customers.wika.com/Dju> or get in touch with your personal WIKA contact person.
